The meeting will conflict in no way with the one to be held in the same place later in the morning to plan a memorial to Lieut. Baxter Ware, who was killed overseas.

A. Y. SCOTT INTERESTED IN NEW TEXAS OIL FIELD

Alex Y. Scott, of Rosedale, Miss., spent Friday in Memphis on his return from a trip through the new Texas oil fields. Mr. Scott said that he found a wonderful development going on in the fields there, particularly in the Burkhett field, where a veritable oil boom is in full swing. "There is money to be made in legitimate oil investment," said Mr. Scott, "but a man with small capital stands a better chance to lose than to make money, and in my opinion, investment in the oil business, like that in any other, should only be made after personal investigation. A man who buys stock in the thousands of companies which are being organized as stock-selling propositions, is taking a long chance. But there is a wonderful field in the oil regions there for legitimate investment which should prove profitable. Of course, with the boom now on, prices for oil leases and the price of land itself, are probably in many cases much too high."

BLACK JIGGS TURNS TABLES ON HIS MAGGIE

Pete Cannon, a negro, has an insatiable liking for pig hot biscuits and he avowed in city court Thursday afternoon that his wife, Annie Cannon, was about the best biscuit maker in the city. But Pete's epicurean taste proved his undoing Wednesday night when he went home to find the kitchen stove cold and no biscuits. The disappointed man was having him arrested on a charge of assaulting her, Judge Pitts said. Judge Pitts said that under no conditions would he ever make hot biscuits for Pete again. The case was dismissed against Cannon.

Use Coconut Oil For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Multified coconut oil shampoo (which is pure and entirely greaseless), is much better than anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, curly and easy to manage.

You can get Multified coconut oil shampoo at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

BOYS GET WINTER DUDS, BUT IN THE WRONG WAY

A trunk containing winter clothing was stolen Thursday morning from the home of Mr. and Mrs. R. W. Wells, 615 Pearce street, by four small negro boys operating a junk wagon. They were arrested Friday morning by Detective Bishop and Robinson. On Tuesday, the boys stole a trunk containing winter clothing from the home of Mr. and Mrs. Wells. The trunk was taken while Mrs. Wells was at neighbor's house.

The trunk was taken about four blocks from the Wells home where it was rifled. A relative of the family saw the trunk in its traditional home when he saw pictures of the family strewn about on the ground. Detectives are recovering the stolen property.

"If The Others Were Shirt Sales, This Is a Slaughter"

—Jake Weinberg, Memphis Manager.

Right in the Face of Universal Rising Costs The National Shirt Shops Stage an Unprecedented

Sale of Shirts

Let us state two simple truths! First, there are no other stores just like these—none backed by such manufacturing and purchasing power based upon a nationwide system of distribution. Sometimes they do imitate our shops ON THE EXTERIOR—but they simply CANNOT DUPLICATE OUR MERCHANDISE nor our SERVICE.

Fact Number Two—When most stores hold "SALES" they mean that they have, by certain trade variations, been able for a day or two to mark their merchandise AT-THE-DAY-IN-AND-DAY-OUT prices that prevail at our 47 shops. In other words, they call it "A SALE" when they EQUAL our values. WHEN WE HOLD A SALE—well, we seldom hold sales for the very simple reason that our merchandise all the season around is offered at rock-bottom prices. You can call at any NATIONAL SHIRT SHOP anywhere in the country and regularly save from 50c to \$2.00 on a shirt, but these ARE UNUSUAL TIMES.

We figured there would be a shortage of merchandise—and there is. But we increased our factories; bought right and left, everything offered UNTIL TODAY, AS BIG AS OUR OUTLET IS, we find ourselves threatened with an OVERSTOCK.

OUT THEY GO! That's our way of doing business! Right at the beginning of the fall season we offer the picked products of America's best shirtmakers AT LESS THAN ACTUAL WHOLESALE COST TODAY.

Every shirt in the shop is sold UNDER AN ABSOLUTE GUARANTEE OF SATISFACTION OR YOUR MONEY BACK. All are guaranteed perfectly built, full and of fast colors.

We have sent a goodly supply into Memphis, but at the prices marked they will not last long. Our advice is that you shop early tomorrow—AND BUY FOR A long time ahead. You will never get such values again!

THAMES TRIAL IS ON AT BROOKHAVEN, MISS.

BROOKHAVEN, Miss., Sept. 19. (Sp.)—The trial in the case of state vs. Clyde Thames, charged with the murder of his wife in this county on Aug. 7, is holding the attention of the entire county, to the exclusion of all other matters upon the face and neck of the dead woman, and also testified as to the dislocation of the neck. The attorneys for the defense met Dr. Smith through a grilling cross-examination but failed to break down his original statements as to the condition of the body.

The second witness for the state, Mrs. Laura Smith, mother of Dr. Smith, testified that she was present when the body was prepared for burial, and corroborated Dr. Smith's testimony as to the dislocations and other marks upon the face and neck. Mrs. Edna Thames, a sister of the dead woman, was the next witness called for the state, and her testimony was also in corroboration of that of Mrs. Laura Smith and Dr. Smith. Mrs. Louis Smith, Mrs. Jim Smith and Mrs. Winnie Kyzar, all neighbors of the Thames family and present at the time of the preparation of the body for burial, testified along the same lines as the other witnesses as to the condition of the body, some of them stating that the hairpins in the back hair of the dead woman were bent as though from a heavy blow.

The state is being represented by H. V. Wall, district attorney, J. W. McNair, county clerk, and G. Wood Magee, of Monticello. The defense is being represented by Messrs. Naul & Yawn, of this city.

STRANGER SELLS FAKE LIQUOR TO YOUTHS

HELENA, Ark., Sept. 19. (Sp.)—A stranger blew into town a few days ago and stopped at a local hotel. Last night a party of youths appeared at the hotel and asked to see the new-comer and were informed by the clerk that this man had disappeared mysteriously as well as suddenly—without telling anybody at the hotel about it.

These young men asked if they might visit the room and the clerk granted permission and accompanied them up the flight of stairs. The door was found wide open and lying upon the floor were a bag of corn, some whisky labels, mud-lug bottle—memories of the good old days—that's all. The fact was disclosed that one of the boys had paid \$40 for 12 quarts of whisky, only to find that the bottles were filled with a fluid colored like the real stuff.
